

Dr. Aaron Sun Joins Dental Aid

Latest addition to Dental Aid team strengthens clinic's ability to deliver quality dental care to the area's under and uninsured.

Lafayette, CO — December 15, 2015 – Dental Aid, Inc. is pleased to announce that Dr. Aaron Sun has joined their staff as a dental surgeon. Dental Aid specializes in providing compassionate, affordable, high quality dental care and education to the low-income and uninsured residents of Colorado's Boulder and Broomfield counties. Its clinics are located in Boulder, Longmont and Louisville, CO.

Dr. Sun received a doctorate of dental surgery degree from the University of Colorado School of Dental Medicine and completed a general practice residency at the University of Colorado Sands Clinic. He also holds an MBA in Finance University of Denver where he was the recipient of a Martin Luther King Scholarship from the Center of Multicultural Excellence. Dr. Sun is also a member of the Delta Sigma Delta Dental Fraternity.

“We are delighted to welcome Dr. Sun to our staff,” said Dennis Lewis, president and CEO, Dental Aid, Inc. “His stellar credentials will be an asset in the pursuit of Dental Aid’s mission of providing high quality dentistry and dental education to the area’s underserved populations.”

About Dental Aid

Dental Aid provides compassionate, affordable, high quality dental care and education to low-income and uninsured residents of Colorado's Boulder and Broomfield counties.

The long term clinical focus of Dental Aid follows a chronic disease management model directed at prevention, education and treatment in the early stages of disease. In addition to direct clinical care, Dental Aid prioritizes education and outreach to high-risk patients including:

- Families and children of all ages
- Pregnant women
- People with chronic diseases such as diabetes, heart disease and HIV/AIDS
- People with physical, mental or emotional disabilities

Dental Aid was one of the first stand-alone, nonprofit, complete-care dental clinics in the U.S. The organization was founded in 1974 as a referral organization and opened its first full-service clinic in 1980. Today, Dental Aid provides dental care to more than 8,000 children and adults annually. It provides services through three clinics (Boulder, Longmont and Louisville, CO) and a satellite clinic at the Boulder Shelter for the Homeless. In addition, portable dental equipment is used to bring dental care to the homebound or those living in long term care facilities. For more information, visit www.dentalaid.org.
