

Dr. Bradley Hagen Joins Dental Aid

The latest addition to Dental Aid team strengthens clinic's ability to deliver quality dental care to the area's under and uninsured.

Lafayette, CO — October 29, 2018 – Dental Aid, Inc. is pleased to announce Dr. Bradley Hagen has joined their staff as a dentist. Dental Aid specializes in providing affordable, high-quality dental care and education to the low-income and uninsured residents of Colorado's Boulder and Broomfield counties. Its clinics are located in Boulder, Longmont and Louisville, CO.

Dr. Hagen received his Doctoral of Dental Medicine from the University of Florida College of Dentistry. While in dental school, Hagen was a teacher's assistant. Prior to this, he was a laboratory technician at Precision Dental Restorations, Inc. Dr. Hagen has completed over 100 volunteer hours with local charities and clinics prior to joining Dental Aid. In 2017, he went to Guatemala on a medical mission trip, and he performed over 700 extractions and 65 restorations. Dr. Hagen is an Omicron Kappa Upsilon Student Ethics Award recipient for showing outstanding ethical behavior.

"Dental Aid is very excited to add Dr. Hagen to its team. His background aligns very well with Dental Aid's mission to deliver quality oral health care to those in our community that need it most," said Ernest Duff, Executive Director of Dental Aid, Inc.

About Dental Aid

Dental Aid provides compassionate, affordable, high-quality dental care and education to low-income and uninsured residents of Colorado's Boulder and Broomfield counties.

The long-term clinical focus of Dental Aid follows a chronic disease management model directed at prevention, education, and treatment in the early stages of disease. In addition to direct clinical care, Dental Aid prioritizes education and outreach to high-risk patients including:

- Families and children of all ages
- Pregnant women
- People with chronic diseases such as diabetes, heart disease, and HIV/AIDS
- People with physical, mental or emotional disabilities

Dental Aid was one of the first stand-alone, nonprofit, complete-care dental clinics in the U.S. The organization was founded in 1974 as a referral organization and opened its first full-service clinic in 1980. Today, Dental Aid provides dental care to more than 8,000 children and adults annually. It provides services through three clinics (Boulder, Longmont and Louisville, CO) and a satellite clinic at the Boulder Shelter for the Homeless. In addition, portable dental equipment is used to bring dental care to the homebound or those living in long-term care facilities. For more information, visit www.dentalaid.org.
